2011 MOSAIC OUTDOOR CLUBS INTERNATIONAL EVENT WILD & WONDERFUL

2011 Mosaic International Event Attendees,

With just about a week to go, we are all getting excited. We are proud to announce that 107 people are coming to the Event and we will have a lot to do and enjoy.

This email contains more information on what to pack and bring for the Event. We will be sending you another email soon with more information.

PLEASE READ EACH OF THESE EMAILS CAREFULLY AS THEY WILL CONTAIN IMPORTANT INFORMATION.

In packing for the Event please be aware that **all cars will be limited to the parking area**, all of your gear will be brought to your cabin via golf carts. Please try to pack so that we do not overwhelm the camp.

While the cabins and bathhouses are very well maintained, most of them do not have power outlets; if you have a medical device that need electric power at night, please let us know and plan on bringing an extension cord and power strip. Please plan on not having use of your electrical devices in camp.

Please do not contact the camp or any outfitter directly, if you have a question send it to us at event@mosaicoutdoor.org

WHAT TO BRING:

NOTE: It may be warm at camp; it may be rainy. Or it may be cool; it may be dry. Weather is the one thing that we can just never predict in advance. As always, we do suggest you dress in layers. Also, those wheeled suitcases are great for airports -- but not so good in the woods! It may be easier to transport duffels and backpacks to your cabin.

- **SLEEPING BAG/PILLOW /LINENS/TOWELS – Camp supplies beds with bare mattresses**
- Short and long-sleeve shirt(s) – wicking if you have them
- Sweatshirt/Fleece/Jacket – plan for layers for warmth
- Shorts & pants
- Underwear/extra socks/etc
- Pajamas or other sleepwear
- **Sneakers/hiking boots – broken in, DO NOT BRING NEW BOOTS**
- If doing water activities, bring wicking clothes – NO COTTON
- Water shoes (if going canoeing/kayaking)
- Closed toe leather shoes (if going horseback riding)
- **Rain gear – we will be hiking under most conditions**
- Swimsuit and beach towel
- Hat
- Sunglasses with retaining cord, especially if doing water events
